Let's Keep It Going

New Curriculum Is Off And Running

Bro. Robert Ford, Jr.
Education Director

During February we kicked off the new curriculum with the theme: *God Is Creator*. It was an exciting time for me personally to see it come to fruition. Now it's time to keep the momentum going right into March with our current theme: *WE MUST OBEY GOD*.

I want to encourage each and every member to come to a class to see what we are doing at Franklin Road. Your attendance will be a huge encouragement to the leadership, the teachers, EDAC, and of course me.

Let me take this time to thank our teachers who are giving of themselves to prepare lessons that are helpful to our souls. God bless each and every one of you.

March Teachers Meeting Date Set

The next Teachers Meeting will take place on Saturday, March 15, 2008 from 10am – 12pm. All teachers are to attend.

We will again focus on lesson-planning. The goal is to have all teachers confident in the ability to develop theme related lesson plans. It is our plan to send you advanced information that will be used at the meeting. Your attendance is necessary so that we can make sure that we are all on the same page.

Note: We are still looking for those who want to be a part of this exciting time. If you are a past teacher, or if you have an interest in teaching or being a teachers assistant, please come out and see what we are doing.

New Attendance System Has Begun

Don't forget to make sure you are counted as we have begun to track class attendance on Sundays and Wednesdays by grade level, including the Adult Class.

Our goal is to have no less than 150 in attendance on each class day.
